

Menu Options at The Westin Edmonton

At The Westin Edmonton, we offer a diverse range of culinary delights to make your special day unforgettable. Once the contract is signed, you will be working with an Event Manager who will assist you further with menu selections. They will be able to advise on quantities and suggest modifications or elevated menus according to your preferences.

Our culinary team is committed to accommodating dietary restrictions and is flexible in adapting menu items to exclude pork and pork by-products. Additionally, we are pleased to offer Halal menu options upon request for all guests, with applicable charges per person. Your satisfaction with our catering services is our top priority, and we look forward to crafting a menu that meets your specific needs and preferences.
